

## Kailua High School's Online Resources

Kailua High School provides many online resources for our students, staff, and parents. These include subscription databases, eBooks, and the library catalog, as well as other resources gathered by the Kailua High School Library staff. These resources can be accessed through the two websites below:

### **Kailua High School Library Website**

This website has links to our subscription databases and other online resources to help students with their research. Also find downloadable worksheets for research, book reviews, the library calendar, and more!

## *Subscription Databases*

Subscription databases are the standard for online research. These resources are available for your personal and professional use, and we ask that you encourage students to use them for their research. The advantages of using these resources are:

- The information is current, reliable and thoroughly researched by experts.
- There are no pop-up advertisements or virus threats.
- Printer-friendly and email options are available to avoid unnecessary printouts.
- Full citation information is attached to every article.
- Links are provided for multiple resource searching.
- They are available 24/7 from any Internet accessible computer.

The following subscription databases are available for the Kailua High School community:

### **EBSCO**

*EBSCO* is a comprehensive multi-database resource of magazine and newspaper articles as well as other reference sources. Some of the databases available are:

- Health Source - Consumer Edition
- Biography Reference Center
- Science Reference Center
- Literary Reference Center
- Points of View Reference Center
- Newspaper Source
- ERIC (Education Resource Information Center)

To search multiple databases simultaneously, use *EBSCO Discovery Service* at:

<https://search.ebscohost.com/login.aspx?authtype=ip,uid&custid=s8586329&groupid=main&profile=eds>

To select specific databases (such as ERIC), use *EBSCOhost* at:

<https://search.ebscohost.com/login.aspx?authtype=ip,uid&custid=s8586329&groupid=main&profile=ehost>
